**Special Features** Water Resistant Leather Upper, No Exposed Metal on Upper, Non-Metallic Puncture Resistant Midsole Plate

### Product Description

Print Premier provides the ultimate in comfort and durability in an athletic work shoe. The UltraKnit woven upper with abrasion resistant threads provides increased durability, flexibility, and breathability. Abrasion resistant heel and toe bumpers protect high use areas on the shoe. The full rubber outsole provides traction in slippery conditions, while the lightweight EVA midsole cushions with every step. The MemoryTech footbed adapts to the contours of your foot. The Aluminum protective toe meets or exceeds EN ISO 20345 safety standards.

### Product Features

EN ISO 20345, S3, Puncture Resistant Midsole, Aluminum Toe, Anti-Static, Slip Resistant (SRC), Water Resistant

### Bullet Points

- Abrasion resistant ultraknit woven upper for breathability and durability
- MemoryTech footbed adapts to the contours of your foot
- EVA midsole for shock absorption and flexibility
- Slip resistant rubber outsole with an active traction lug pattern for durability and grip
- Aluminum toe cap reduces weight while maintaining impact protection (meets or exceeds EN ISO 20345 safety standards).
- Water resistant (S3) rated leather upper
